

From the Mason Area Chamber of Commerce

Dart Container Corporation has been selected for the 2013 Excellence in Business Award. This award is presented to a business for innovation, risk, and growth that represents the entrepreneurial spirit of business development. A Chamber member since 1996, Dart Container has played a very active role in helping to support and grow our Mason area community.

The company has been making quality food service foam products since the late 1950's and is the world's largest manufacturer of foam cups. They are the largest private employer in the Mason area, employing over 1,200 people locally. Most recently, the company has made an investment through the acquisition of Solo Cup Company that will bring hundreds of new jobs to the area.

Every year, Dart Container is the sponsor of many of the community's annual events, such as being the presenting sponsor for the Mason Holidays Celebration and Lighted Parade and a concert sponsor for several of our Thursday Night Live courthouse concerts.
